

10th EIONET workshop on Climate Change Impacts, Vulnerability and Adaptation, 14-15 June 2016

**EEA, conference room
(Kongens Nytorv 6, 1050 Copenhagen, Denmark)**

Draft Agenda

The key objective of the workshop is to provide an update and discuss on-going and planned work by EEA, European Commission, international organisations and member countries in the field of work of 'Climate Change Impacts, Vulnerability and Adaptation'.

A related expert meeting will be held on 16 June on 'climate change adaptation platforms in Europe', with a focus on the interactions between Climate-ADAPT, transnational and national platforms. This expert meeting is meant for experts responsible for platforms in the EEA member countries and transnational platforms.
