

Dear NRCs for Climate Change Impacts, Vulnerability and Adaptation,  
Dear colleagues,

The EEA would like to invite you to the **2019 EIONET Workshop on 'Climate Change Impacts, Vulnerability and Adaptation', which will take place at the EEA in Copenhagen on 12 (from 13:00) to 13 June 2019** (closing 16:00).

The key objective of the workshop is to provide an update and discuss on-going and planned work by EEA, European Commission, international organisations and member countries in the field of work of 'Climate Change Impacts, Vulnerability and Adaptation'.

I hope you will be able to attend the 13th Eionet CC IVA workshop and would like to ask you **to register by Tuesday 14 May**. Please confirm your participation by filling in the online registration form at: <https://forum.eionet.europa.eu/nrc-climate-change-adaptation/library/workshops-meetings/2019-eionet-workshop-climate-change-impacts-vulnerability-and-adaptation>

A draft agenda for the EIONET workshop is attached to this invitation. For further details on the EIONET workshop, you can access the workshop documents, which soon will be made available, at: <https://forum.eionet.europa.eu/nrc-climate-change-adaptation/library/workshops-meetings/2019-eionet-workshop-climate-change-impacts-vulnerability-and-adaptation/meeting-documents>

For the annual Eionet workshop I would like to draw your specific attention to the **break-out sessions**. The plan is to have introductions by EEA followed by targeted presentations by member countries in the different break-out groups, closely linked to the topics to enhance discussion and interaction. Focus should be on important recent progress, lessons learned, key challenges and opportunities and how these may be transferable to other countries. Hereby I like to ask **countries who wish to provide a presentation to inform us, latest by 8 May**. In case we receive more proposals than we can include in the agenda, we will make a selection aiming at ensuring an appropriate balance across countries.

**Please also note that the EEA will reimburse 1 participant per member country for travel costs, accommodation and per diem, as nominated by the National Focal Point (NFP)**. More information will follow upon registration regarding the reimbursement of travel expenses and the procedure for booking flight tickets.

In case of questions regarding travel and practical arrangements, please contact **Corine Guma** ([EEA-CET-meetings@eea.europa.eu](mailto:EEA-CET-meetings@eea.europa.eu)).

For questions regarding the scope, objectives and content of the workshop, please do not hesitate to contact me ([andre.jol@eea.europa.eu](mailto:andre.jol@eea.europa.eu)) or Wouter Vanneuille ([wouter.vanneuille@eea.europa.eu](mailto:wouter.vanneuille@eea.europa.eu)).

I am looking forward to meeting you in Copenhagen.

Yours sincerely,

André Jol
