FINANCING FLOOD PROTECTION AND RIVER BASIN AGREEMENTS

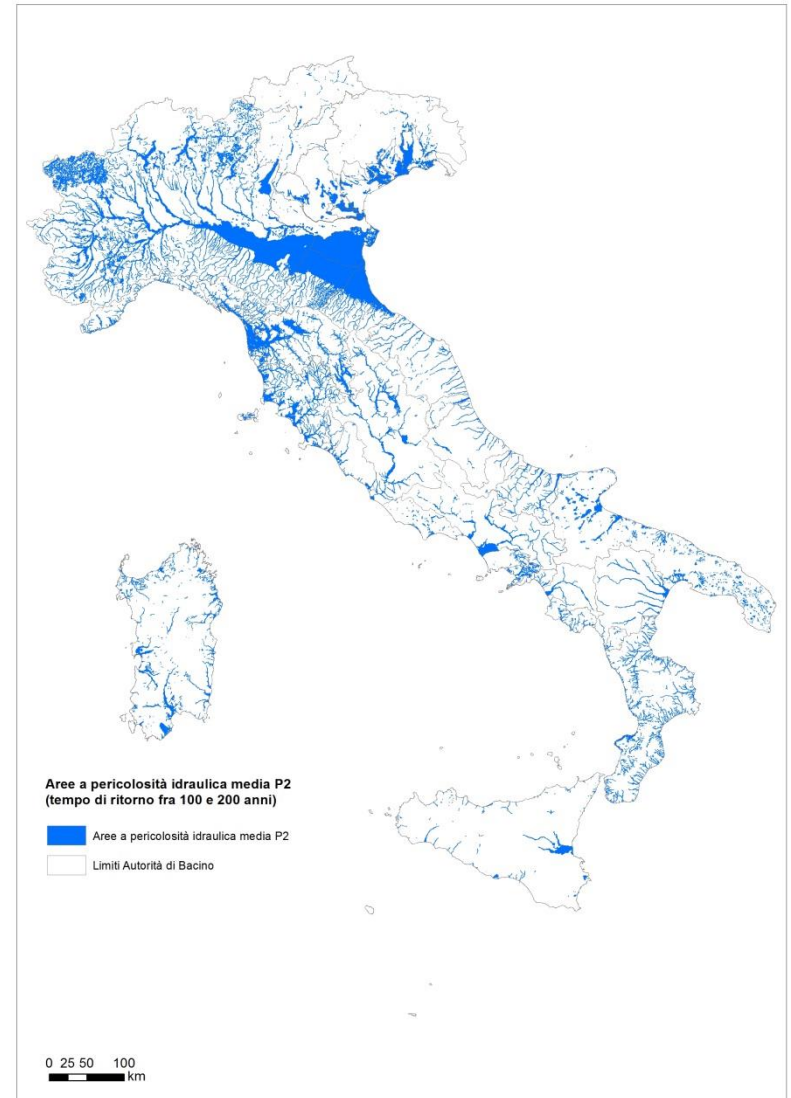

Michele Torsello

Italy's Task Force against Hydrogeological Risk

Prime Minister Office

HYDROGEOLOGICAL RISK IN ITALY

- **7 millions** people exposed to flood and landslide risk
- **5459 casualties** since 1950
- **88.3%** of Italian municipalities at risk
- **+ 8.8% soil sealing** since 2001
- av. **3.5 billions euros damages** every year since 1945

THE TASK FORCE AGAINST HYDROGEOLOGICAL RISK

- Ad-hoc Unit at the **Prime Minister Office**
- **Tasks:**
 - ✓ **Coordination** of national and sub-national competences
 - ✓ **Planning** new resources
 - ✓ **Accelerating** the expenditure of programmed resources

NEW GOVERNANCE

- **Presidents of Regions** named as **Commissioner** for hydrogeological risk
- **Advantages:**
 - ✓ Unique **direction** for planning
 - ✓ More **power of intervention** (waiver and replacement power)
 - ✓ **Responsability** in front of the public opinion

NEW METHODS

- A national **data-base** to gather all Regions requests (RENDIS)
 - ✓ More **transparency**
 - ✓ **Rankings** for interventions
 - ✓ **No political** choices
- Unique and open **monitoring system** for citizens

THECNICAL VALIDATION

- **Consistency** with Flood Risk Management Plan and Regional planning
- Involvement of **Basin Authority**
- Role of The National **Institute for Environmental Protection (ISPRA)**

NEW GUIDE-LINES FOR PLANNING

- Involvement of **socio-economic stakeholders**
- A virtual **Platform**
- **Check-lists**

MORE FUNDS AGAINST HYDROGEOLOGICAL RISK

- 2000-2014 → **600 millions** per year
- 2015-2023 → **1.2 billions** per year

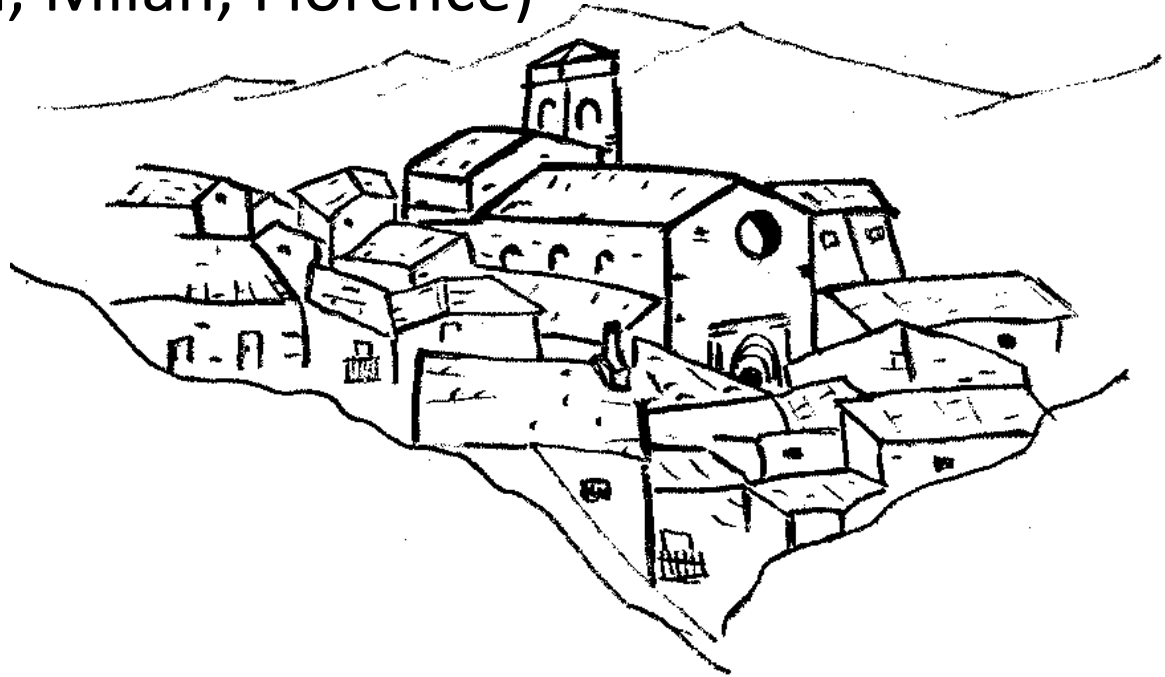

A FUND FOR PLANNING

- **100 millions** for planning activities
- **No accounting responsibility**
- **Revolving mechanism**

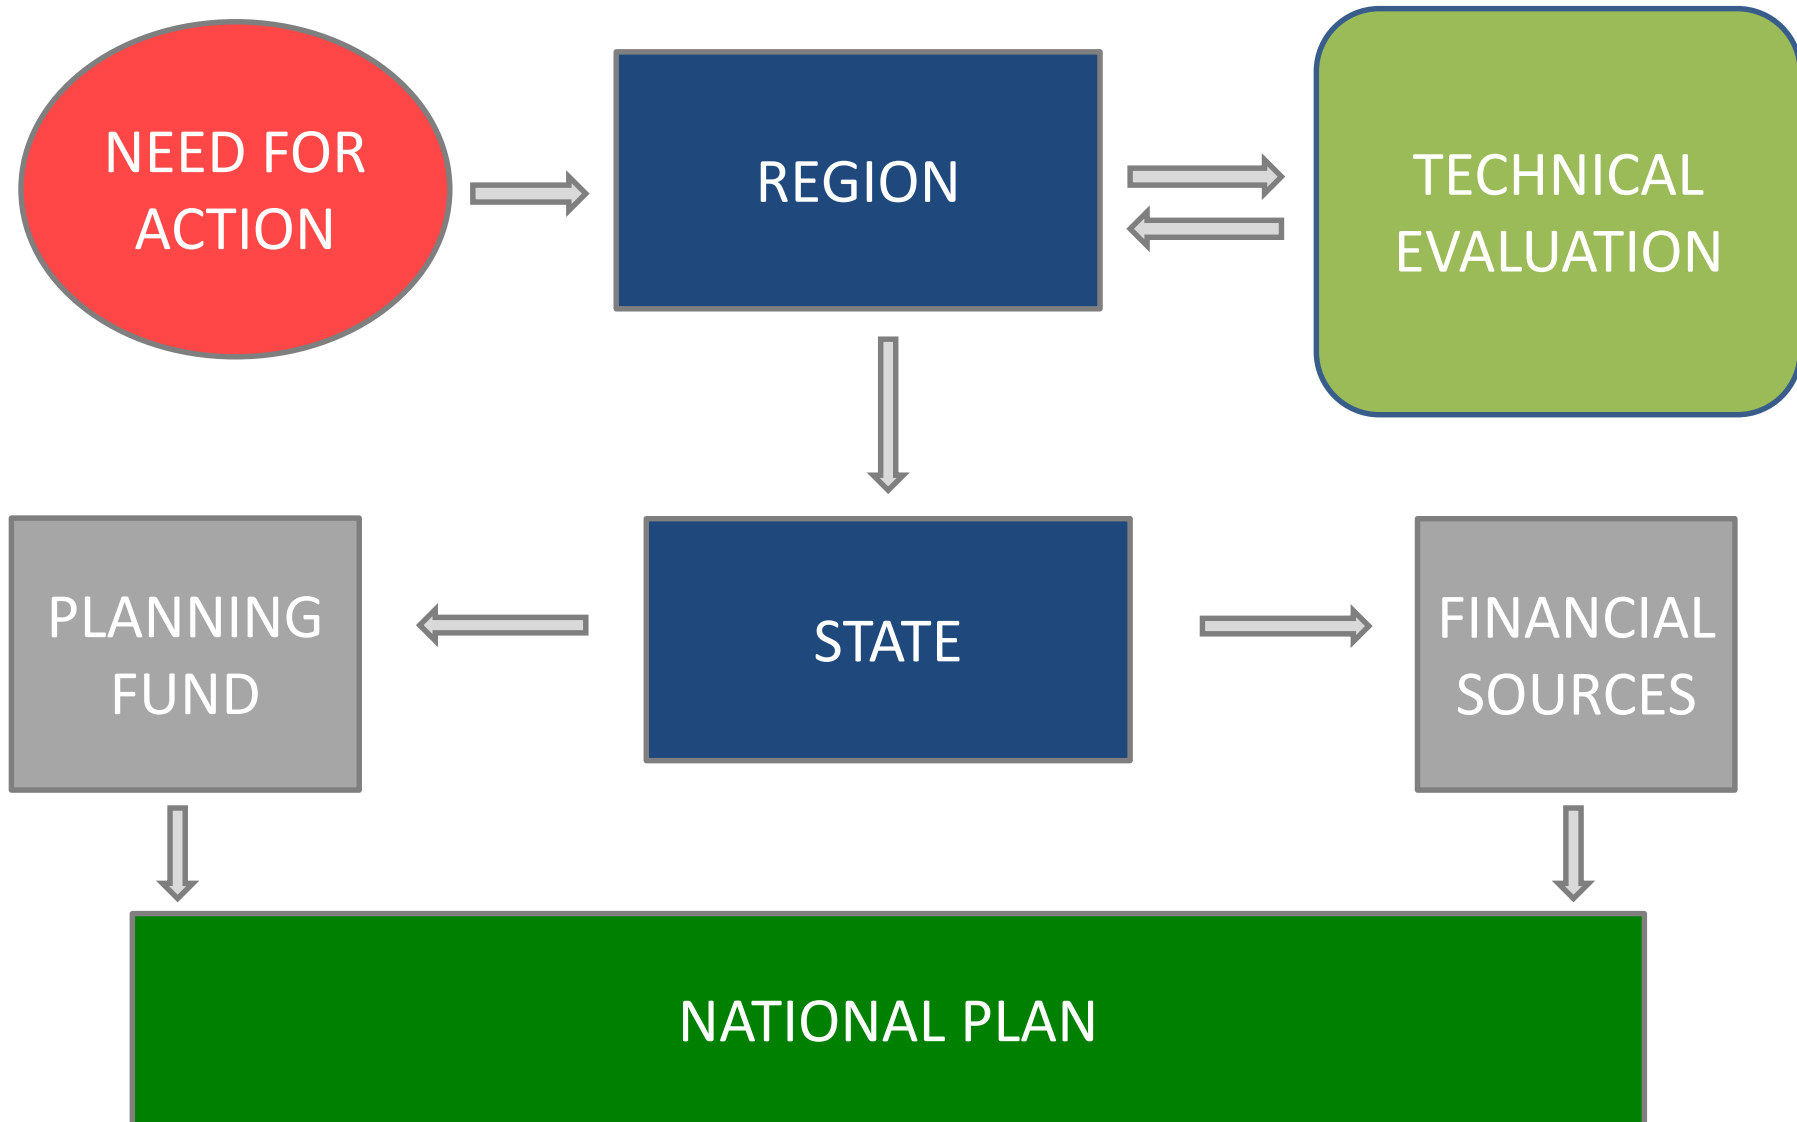

FIRST PLAN FOR URBAN AREAS

- **1.3 billions** to reduce risk in the main Italian cities
- Some works have been waited for **40 years** (Genova, Milan, Florence)

THE PLANNING PROCESS

2015-2023 NATIONAL PLAN

- Financed by **many sources**
- **Risk-based** (pilot project)
- Single **Monitoring system**
- **Open-data**

THANKS FOR YOUR ATTENTION
