This map of Estonia displays the extensive network of rivers and numerous bathing water places. The map uses a color-coded system to delineate administrative boundaries: a red outline for the national border, a green outline for NUTS3 regions, and a grey fill for the country area. Bathing water places are indicated by small black dots, and rivers are shown as blue lines. The map includes labels for various locations, such as Narva-Jõesuu, Võru, Pärnu, and Tallinn, as well as specific bathing water sites like Kõrvala and Kõrvala. The map also shows the coastline and the Baltic Sea to the east.
