

Joint Eionet meetings on Energy and environment and Climate change mitigation

Organiser: European Environment Agency
Overall period: Monday 27 May – Tuesday 28 May, 2019
Location: Kongens Nytorv 6-8, 1050 Copenhagen, Denmark (EEA headquarters)

27 May Eionet Meeting ‘Energy and Environment’

Key focus: Integrated planning and reporting of energy and climate change mitigation policies and measures under the Governance of the Energy Union and Climate Action, latest energy results

9:30 – 10:00	Registration	Timing	Speaker
10:00 – 17:30	Welcome talk	10:00-10:15	Eva Jensen, EEA
	Key topics in energy and environment	10:15-13:15	
	Key findings from the EEA Report <i>Adaptation challenges and opportunities in the European energy system</i>	10:15-10:45	Hans-Martin Füssel, EEA
	Sustainable finance for energy and climate	10:45-11:15	Andreas Barkman, EEA
	Break	11:15-11:45	
	Effectiveness assessment of EU policy on large combustion plants	11:45-12:15	Daniel Montalvo, EEA and Mihai Tomescu, EEA
	Linking renewable energy and air pollutant emissions	12:15-12:45	Ils Moorkens, Vito (ETC/CET)
	Cross-cutting evaluation on Air Pollution and Climate Change Mitigation Policies	12:45-13:15	Federico Antognazza, EEA
	Lunch	13:15-14:15	
	Integrated planning and progress reporting on energy and climate change mitigation	14:15-17:15	
	Concretising the Governance Regulation on the Energy Union and Climate Action (titles to be confirmed)	14:15-15:15	Jürgen Salay, DG CLIMA and Alessandro Proia, DG ENER
	Actors, Factors and Sectors for the EU Energy Transition	15:15-15:45	Susanne Nies, ENTSO-E
	Break	15:45-16:15	
	North Seas Energy Cooperation and the National Energy and Climate Plans	16:15-16:45	Lars Georg Jensen, Danish Energy Agency
	Greece: draft National Energy and Climate Plan: An overview	16:45-17:00	Konstantinos Siuolas, Centre for Renewable Energy Sources and Saving, Greece
	Building consensus for government action to tackle climate change; recent developments in Ireland	17:00-17:15	Denis Dineen, Sustainable Energy Ireland
	Conclusions	17:15-17:30	François Dejean, EEA

28 May Eionet Meeting “Climate Change Mitigation’

Key focus: Latest climate change mitigation topics, long-term strategies

8:30 – 9:00	Registration	Timing	Speaker
9:00 – 17:00	Welcome talk	9:00-9:15	Martin Adams, EEA
	Long-term strategies	9:15-12:00	
	A Clean Planet for all - A European strategic long term vision for a prosperous, modern, competitive and climate neutral economy	9:15-10:00	Fabien Ramos, DG CLIMA
	Small group discussions: Identifying the challenges in long term strategy development	10:00-10:45	Facilitated by Justin Goodwin, Aether (ETC/CET)
	WWF EU’s work on long term strategy development (title to be confirmed)	10:45-11:15	Imke Lübbecke, WWF EU
	Small group discussions: Addressing the challenges in long term strategy development	11:15-12:00	Facilitated by Justin Goodwin, Aether (ETC/CET)
	Lunch	12:00-13:00	
	Key topics in climate change mitigation	13:00-16:45	
	Integrating circular economy into long term energy and climate strategies – opportunities and challenges (findings from a study for the EEA on the decarbonization potential from the circular economy)	13:00-13:45	Jurgen Vermeulen, Trinomics
	It’s time to get Physical: What’s Scotland’s Carbon Metric tells us about the Circular Economy, and the challenges of thinking in circles	13:45-14:30	Michael Lenaghan, Zero Waste Scotland
	Break	14:30-15:00	
	LULUCF: monitoring, reporting, verification and assessment studies	15:00-15:30	John van Aardenne, EEA
	First results from 2019 reporting on projections and policies and measures	15:30-16:00	Tom Dauwe, Vito (ETC/CET)
	Follow up on EEA catalogue of policy evaluations	16:00-16:15	Magdalena Jozwicka, EEA
	Assessing progress with decomposition analysis	16:15-16:45	Ricardo Fernandez, EEA
	Conclusions, evaluations, closing the meeting and next meeting	16:45-17:00	Suzanne Dael, EEA
